To help us facilitate the donation in-kind process, please inform us of the date, time and location of delivery at least **one week** in advance. Weekdays during office hours (9am to 5pm) are preferred and you can choose either Lions Home Bishan or Bedok for the drop-off.

Kindly ensure items are not close to its expiry dates and do include the receipts of your donation for our auditing purposes. For delivery confirmation and assistance, please contact us at lhe.pr@lionshome.org.sg.

About Us

Initiated and established by the Lions Clubs of Singapore, Lions Home For The Elders offers a spectrum of elderly care services, including caregiver and family support to assist families to meet the challenges of loved ones growing old.

A non-profit organisation, the Lions Home actively promotes and employs best practices in providing a comprehensive range of services and programmes for the ageing population.

Our first community home was founded in 1980 and housed 18 destitute and elderly residents. Over the years, we have expanded our services, capabilities and capacities to include a holistic approach in elderly care, and have grown to become one of Singapore's leading eldercare service provider in the community.

Today, Lions Home operates two fully equipped, well-designed nursing homes at Bishan and Bedok South, with the capacity to house 384 residents. We have a team of close to 240 professional clinical and care staff, as well as support services staff handling administration, finance, operations and social welfare functions. We also engage doctors and allied health professionals such as physiotherapists, occupational therapists and speech therapists, to complete our nursing home services.

Vision

The Recognised Leading Service Provider in Health, Nursing and Aged Care.

Mission

Enabling the Elderly to Lead Enriched Lives through Holistic and Integrated Care.

Goals

- To provide love and care to all residents.
- To provide rehabilitation to residents aimed at maximising functional and cognitive abilities and to facilitate their return to the community and loved ones, whenever possible.
- To continually improve our standards and quality of care and services through research, training and education.
