About Us

Xin Yuan Comcare Ltd (XYCL) is a company limited by guarantee and a registered charity with Institution of Public Character (IPC) status. XYCL is governed by its Constitution.

XYCL is rooted from Xin Yuan Community Care (XYCC), a registered Society established in 2005. Xin Yuan Community Care is in the midst of transitioning to Xin Yuan Comcare Ltd.

Our charity is committed to providing regular healthcare and therapeutic services, basic necessities, financial assistance, social and enrichment activities, and other relevant services to needy seniors as well as academic support to underprivileged children from low-income families.

Our Day Activity and Wellness Centre conducts daily, weekly, monthly and ad-hoc programmes and services for the elderly. We provide centre-based services such as regular health checks to our seniors, daily group exercise, physiotherapy/TCM services, meals/grocery distribution, and other support services. We also create the space and opportunity for our elderly to interact with each other and with volunteers from all walks of life, to keep them engaged and as a form of social and emotional support.

In addition, XYCL extends essential aid to needy families, such as monthly groceries, and empowering disadvantaged youths through academic, mentoring and enrichment programmes.

Less

Our Programmes

Heart for Seniors Programme

A holistic programme that looks after the physical, social, emotional and psychological needs of our seniors, as well as support services to their caregivers.

1. Regular Health Checks and Blood Sugar Count
2. Group Fitness Exercise Facilitated by Fitness Instructors
3. Use of Exercise Machines to strengthen muscles and improve mobility

More

Our Wish List

Food

In-kind donations of items such as food products will also help us greatly, as we provide monthly groceries support to our low income youth and seniors.

Please note that for food donations, it is preferred that items donated are halal certified, as we have Muslim beneficiaries as well.

Some examples of food items to consider are as follows:

- Rice and noodles
- Canned food (e.g. sardines, curry chicken, canned vegetables)
- Biscuits and crackers
- Powdered drinks (e.g. Milo, coffee, cereal drinks)
